WORK EXPERIENCE

Maren Solutions Pvt. Ltd. Hyderabad, India

UI Developer Jun 2021 – Feb 2026

- Developed and maintained responsive web applications using React.js, Next JS JavaScript, TypeScript, HTML5, CSS3, and Tailwind CSS.
- Built and customized responsive WordPress websites using Elementor, Gutenberg, and WooCommerce based on business requirements.
- Converted Figma designs into pixel-perfect, responsive user interfaces for both React and WordPress projects.
- Customized WordPress themes, managed plugins, configured menus, media, and implemented website enhancements.
- Integrated REST APIs and third-party services to deliver dynamic and interactive web experiences.
- Performed website migration, hosting deployment, domain configuration, backup restoration, and website maintenance.
- Optimized website performance, mobile responsiveness, cross-browser compatibility, and basic SEO for improved user experience.
- Collaborated with UI/UX designers, Product Managers, and QA teams to deliver high-quality, scalable web solutions.

- Developed reusable UI components and design systems to improve development efficiency and maintainability.
- Participated in Agile development processes including sprint planning, daily stand-ups, code reviews, and sprint retrospectives.
- Leveraged AI tools such as GitHub Copilot and ChatGPT to accelerate development, debugging, documentation, and code refactoring.
- Provided production support, resolved application issues, and ensured smooth deployment of web applications and websites.
- Implemented web accessibility best practices using semantic HTML, keyboard navigation, ARIA attributes, and WCAG guidelines to improve usability and accessibility.

Wipro

Hyderabad, India

Senior Associate

Sep 2018 – Mar 2020

- Reviewed and categorized product information using attributes such as category, brand, and availability.
- Evaluated Text, Image, Video, and Call-only ads for compliance with policies.
- Worked with live tools to improve data accuracy and quality.
- Ensured consistency and accuracy in large-scale data operations.

EDUCATION

Bachelor of Technology (B.Tech.) in Electronics and Communication Engineering 2018
GITAM University, Visakhapatnam
